REDUCE  
REUSE  
RECYCLE

- Lets draw

# Let's create

- **Activity 1**
- Students will have 1 normal toilet roll, 1 cut out toilet roll, 4 bottle caps, 1 picture design on their desk. Students will listen to the teacher's instruction so they can create their trains.
- **Activity 2**
- Students will wrap their design around the toilet roll using glue.
- **Activity 3**
- Students will stick four bottle caps (even size) to create wheels on each side.
- **Activity 4**
- Once the students they will grab the smallest toilet roll and stick it on top of the train (creating a chimney) if there is any material left over students can try and make carriages
