

# HOW DO WE COMMUNICATE TO EACH OTHER?

Unit 5L1

# What is communication?

- Communication is a way for people to share information and ideas
- It helps us understand each other and express our thoughts
- We have verbal and non-verbal communication
- Verbal – uses our voice
- Non-verbal uses body language

IS THIS VERBAL OR NON-  
VERBAL COMMUNICATION?

# Body language

- The power of body language is amazing someone's face might say they are happy, but their body language may say something else

# Emotions
