

Shape of the land

y1

Name the
feature

An aerial photograph of a river meandering through a lush, dense green forest. The water is dark and reflects the surrounding trees. The river winds in a series of loops and curves. Several decorative circles of various colors (blue, orange, white) are scattered across the image, primarily on the left and right sides. The text "Synonyms of river" is centered in the middle of the image in a white, sans-serif font.
